

# CASI MEMBER LESSON SCHEDULE 2024

---

Each lesson will last approximately one hour. As Noted below, there will be two lessons per week that will cover the same material. Each instructor will demonstrate basic lesson methodology with minor technical deviations unique to their own style. You may attend one or both weekly lessons to get the most out of that week's lesson.

The lessons are free and is included as part of your monthly membership fee. These are not Workshops. Workshops will be scheduled TBA and will cost an additional fee.

2024 lessons will focus on pottery skills most requested by members. Some of the lessons will teach basics needed to create thrown teapots, which may come in handy for a teapot making class, tentatively scheduled for May.
